Extra Curricular School Sport

September 2018

Dear Parent or Guardian,

As part of our commitment to delivering P.E and extra curricular activities through the healthy schools initiative, we will be offering your child the opportunity to participate in additional sporting sessions as part of an after school club.

We aim to involve both boys and girls in the groups and the sessions will provide an opportunity for your child to learn, enjoy and have fun with a variety of sports. We would encourage you to involve your child in this scheme and would be grateful if you could let us know your feedback on the effectiveness and suitability of the sessions.

Please indicate your preference in the table, marking it with an '✓', and return the slip with payment to the school office (Mrs Cookson) by Thursday 6th September 2018.

Please make cheques payable to **Live and Learn Sports**.

NOW BOOK ONLINE!! As we prepare for the new school year and following the success of the Live and Learn Sports APP, you can now book and pay for your sessions online. Simply go to the home page of our new website (www.liveandlearnsports.co.uk) and look for the **BOOK AN EVENT** button which will give you the option to select your child's school, create an account and see what events are available in the forthcoming half term.

Please note that without full payment and consent from your child will not be allowed to participate in the session. All places will be allocated on a first come first served basis, due to only 28 spaces being available. All Sessions paid for are non refundable.

Sessions start week commencing **10th September 2018**
