

PHYSICAL EDUCATION AND SPORT GRANT EXPENDITURE AT NORTHFIELD PRIMARY FOR 2017/2018 DATA

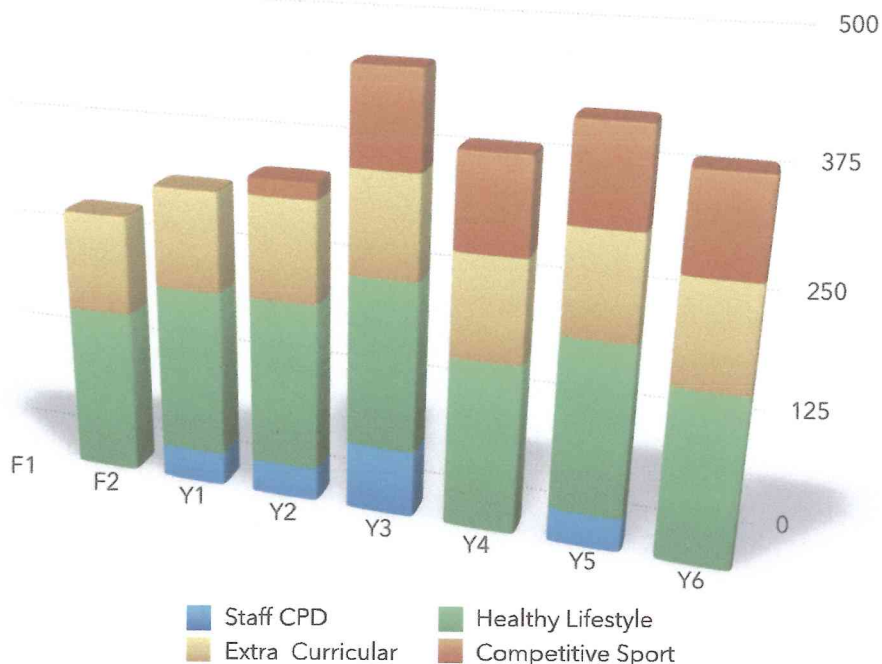

The Physical Education and Sport Grant was introduced from April 2013 so that schools could improve the quality and breadth of their physical and sport education.

Schools are free to determine how best to use this funding with the expectation that there will be an increased participation by primary aged pupils in PE & Sport so that they develop healthy lifestyles and reach the performance levels they are capable of. From September 2013, inspectors will assess and report on how effectively this funding is being used to improve PE & Sports provision

At school we are committed to providing opportunities for all pupils to experience a wide range of high quality sports coaching, enabling them to fulfil potential and achieve to the best of their ability. As well as healthy lifestyle encouragement, we want our pupils to enjoy, regularly compete in and engage with sport as much as possible providing a foundation for participation and lifelong enjoyment.

We have recruited support from Live and Learn Sports based in Rotherham, who specialise in the delivery of high quality PE provision across Yorkshire. We have jointly developed a weekly programme and annual plan to meet the specific needs of our children and the objective of the PESG funding across 4 key areas of; Staff CPD, Healthy Lifestyle, Extra Curricular and Competitive Sport.

The hours available in the Competitive Sport column include both our family festivals on a Monday morning and our WOW Flagship events that take place once a term for a full days provision.

SUMMARY BY CATEGORY

Year Group	Available hours	Staff CPD	Healthy Lifestyle	Extra Curricular	Competitive Sport	Total hours achieved
F1	0	0	0	0	0	0
F2	288	0	180	108	0	288

Annual Cost	£4.57	£8,820	£0	£1,260	£1,860	£11,940

NORTHFIELD PRIMARY: KEY AREAS

	Objective	Action	Outcome
Competitive Sport	Increase the amount of competitive sport children have access to	To take advantage of as many opportunities as possible for our children to enter into competitions, ensuring they are well prepared, trained and able to compete.	We currently have access to a wide range of opportunities through our chosen partner Live and Learn Sports. This includes weekly fixtures within a mini league, regional final's days and some WOW events at iconic local venues. This has dramatically increased our involvement and the children's enjoyment in competitive sport.
Extra Curricular	To provide opportunities for children to access sports clubs and provide high quality training outside normal operating times	To engage with a specialist provider and design a programme of events to encourage engagement from as many children as possible.	We currently provide access to a wide range of after school clubs as well as holiday events, giving the children opportunities to try new sports or practice a sport they enjoy or are good at on a regular basis.
Healthy Lifestyle	For children to have a better understanding of healthy lifestyles and access to regular exercise throughout the day.	Focusing on the before school and lunchtime periods we want to encourage children to be active. This involves identifying children as ambassadors and providing opportunities for mild yet engaging physical activity.	Children are provided with opportunities to take part in different sports such as boccia, boxercise, cheerleading, la crosse, zumba and cross country running before school begins. Similar activities are encouraged during lunchtime but with a focus on mini challenges led by playtime leaders such as balance walk, skittles and velcro catch. We also promote healthy lifestyles in lunch meal choices and our literature around school.
Staff CPD	To increase the teaching staffs' subject knowledge and confidence in PE	To engage with a specialist in CPD delivery to work in tandem and deliver the full PE programme across all year groups.	Staff are provided with schemes of work, sessions plans available via a mobile APP and good practice modelled on a half termly basis to provide support and feedback in their learning and confidence of delivery.
