*Number in brackets represents the number of pupils

EXS+ represents the pupils who achieve the expected standard or above

GDS represents the pupils who achieve the standard at a greater depth

We are extremely proud of all our Year 2 and Year 6 pupils, for working hard all year and trying their best in their SATs to achieve the amazing results shown above.

The SATs this year were the first which assess the new, more challenging national curriculum which was introduced in 2014. The results are no longer reported as levels, and each pupil is informed if they have met/achieved the expected standard (EXS), Year 2 pupils are also told if they have achieved the standard at a greater depth (GDS).
