## Flash Back

- Last week was Road Safety week. Our road safety ambassadors and Miss Proctor were out on the streets encouraging safer parking around school. Thank you to the parents who park safely all of the time to help keep all of our children safe every day.
- We've had such positive feedback from parents who have been joining their children for learning in their classes. This week Y1s were joined by parents to make wreaths as well as story time sessions and Mega Maths across school. Make sure to check your child's Google Classroom so that you don't miss invites to share in your children's learning.
- A group of children competed in the U7 Matball competition on Monday. The children behaved exceptionally, tried their best and came 3<sup>rd</sup> overall out of 6 schools.

- After winning our in school competition, Oscar Allison switched on the Christmas Lights in Wickersley over the weekend!

- Our netball team were in action again at St Anns. It was another close game; we lost by 3 points making St Ann's the winning team 10 -7.

## Looking Ahead

- Don't worry – our newsletter is here to stay! With using Twitter more, a few parents expressed a concern that they'd miss key dates/events. The newsletter will still be created weekly sharing key dates and messages as it always has. Sharing more on Twitter will just give you even more opportunities to get a window into the classroom and see all of the amazing work that goes on daily across school!
- To help us gain further parent insight into areas of school life, we really want to get your views/thoughts. In the first instance, we'll be focusing on parent communication. We would really appreciate your time in completing the survey below. It should only take 5-10 minutes.

- In the coming weeks, as mentioned previously, we would like to create a parent focus group to help us identify areas in which improvements can be made in more detail. If you are interested in joining, please let the office know.
- On Monday 4<sup>th</sup> December our brilliant PTA team have organised the return of the Christmas Fayre. There will be a range of stalls available for children (and adults) to purchase items that will help raise funds for school. Some of the stalls included will be:

### Attendance

Well done to our winning class, 4MS, with 100% this week.

### A sad goodbye!

Our wonderful Mrs Easthope, who works in FS2, will be leaving us at the end of next week. She has worked here supporting children for 14 years and I'm sure you'll join us in wishing her well in her new job. She'll definitely be missed!
